

A LOCAL OPTION

Repair costs more than the vehicle is worth?

You may have another option.

Recycle Your Ride buys unwanted, damaged and non-running vehicles and can arrange pickup directly from Winnipeg-area repair shops.

You deal with us directly. The shop only helps coordinate access after you approve the sale and the vehicle is authorized for release.

Tell us the vehicle is at a repair shop.

Share the diagnosis, location and access details.

Call or text 204-293-6004

RECYCLEYOURRIDE.CA

The registered owner approves the sale and provides the required ownership information.
Any repair, diagnostic or storage charges remain between the vehicle owner and the repair shop.
